Parents:

Please bear with me as there is a lot of information for this week!! I know this situation is not ideal, but we are at a pivotal time in the year and having your child doing the daily work is essential.

Beginning this 3rd week, I have created a Google Classroom where I put work for the students so we can keep moving forward in our skills. I will be sending an email with the login information. This week, we will begin our short i word families. I have uploaded a video for the -ig word family, as well as supporting worksheets for the kids to do.

For Math, we will finish up addition this week. There is an addition page to do each day. You do not need to print any of these pages unless you want to. The kids can write their answers on a piece of paper and either hang on to them until we are back together or you can send me a picture of their completed work.

I have also added Spelling City as a weekly activity going forward. Your child's login information is the same as ixl.com. There will be a page in this document outlining their daily activities for Phonics, Spelling and Popcorn Words. They play Spelling City during computers so it should be familiar to them. Since I am adding Spelling City, I will adjust their iXL activities.

I have also added specific assignments on Freckle to work on until they have completed them all.

Our 3 new popcorn words for the week are: **what, so & get**.

Also, I will be setting up a Zoom meeting where the kids can join and we can connect for a few minutes.

I will email you the invite with the connectivity information so please be on the lookout for that in your email as well!

For ease, you can access the websites I refer to by clicking on the links in this documents. I am trying to make this as easy as possible for everyone. If you have any questions or need anything, please feel free to reach out via Class Dojo or my email glenigan@catherinelucy.org.

Thank you so much for your understanding, patience & support during this e-learning experience! We're all in this together!

Stay healthy and God bless.

Mrs. Lenigan

KINDERGARTEN E-LEARNING

Checklist - Did I…	M	T	W	Th	F
